Charming pet friendly vacation rental home with private pool and hot tub close to Bull Shoals Lake. If you want a place to relax in the Ozarks and spend time with the family, your search is over. This country home in the woods may look rustic at first glance, but inside you'll find all the modern conveniences you could ask for. Granite counters in the kitchen, flat screen televisions in the living area and bedrooms, and wi-fi to stay connected and update friends on your amazing Branson vacation. With everything this charming vacation rental home has to offer, including a private pool in the backyard, a private hot tub, and a cozy fire pit (with firewood included!), the kids may not want to leave the house! You can bring the entire family too, including your furry best friend: this property is pet friendly! But, there's plenty to do nearby: less than a mile down the road is a swimming beach where you can splash around in Bull Shoals Lake or launch your canoes and kayaks for a leisurely paddle around the lake. If you prefer a motor on your boat, bring your lake toy with you. K-Dock Marina is only 15 minutes away where you can rent a boat slip. You can also rent pontoons and fishing boats if you want to catch your dinner as Bull Shoals is famous for bass fishing. Newly cleared in 2020, you can take a hike through a half-mile of trails through 10 acres of land (this is not advised for those who cannot traverse rugged terrain). After you've grilled your fresh catch on the propane grill in the back yard and want to take in the Branson shows and attractions, you're just a 15 minute drive away.
