This is the vacation even your dreams couldn't imagine. You may have stayed at a vacation home before, but certainly not one like this. This incredible sanctuary lies deep within the woods of Branson West, surrounded by acres of forest. From the moment you enter the doors, you'll immediately notice the magnificent main level living room chandelier. This is one of two in the world! From there, take in the rustic interior decor. This adds wonders to the Ozarks' aesthetic! There is so much to do at this getaway, you won't even want to leave! Grill a delicious meal, either outside or on the kitchen propane grill. Splash around in the private hot tub or pool, or try your luck at fishing from the private dock (swim platform only). On beautiful sunny days, venture out on one of the kayaks and take in the marvelous woodland site. At this sanctuary on the shore, the worries of modern life will quickly wash away.
