Relaxing in the Ozarks is one of the best ways to spend your vacation time! Do it with ease, in the trees, in this comfy condo! A vacation can only be as good as the place you lay your head. Look no further than this enchanting Holiday Hills Bluffs unit. With plenty of space for you and your guests, never feel squished and compacted like you would in any hotel room. Get up and roam, be it to the full kitchen where you might whip up a tasty snack, or maybe the outdoor patio to read a book or simply enjoy the sounds of nature. Shut the bedroom door and take a nap to energize after your trip, or just pop in a DVD and unwind with a movie. When you find yourself itching to get out and move, take a quick drive to the Branson Landing. An award winning shopping mall, the beautiful modern architecture and variety of shops will make any vacationer feel so cosmopolitan! Catch one of the majestic water-and-fire shows, with the glistening Lake Taneycomo acting as a backdrop for it all. When the evening winds down, sit down to eat at one of the several restaurants, or grab something to go and bring it back to the condo! Don't worry about leftovers: the full sized fridge will handle those. Either way, you surely can't go wrong, no matter how to choose to spend your days in Branson!
